

How to HELP?

Dear children! Today I invite you to do works of mercy with love and out of love for me and for your and my brothers and sisters. (November 25, 1990)

1. People of good will can help the children in The Mother's Village with PRAYER. The children come from broken homes and complicated and difficult backgrounds. They carry within themselves, therefore, a great need for love, self-respect and a positive reflection of themselves and of the world around them. Only God's pure love can touch and heal the wounded world of their souls.
2. You can help the children in The Mother's Village with MATERIAL DONATIONS. We all know what is needed for a normal, everyday life and for work of a child in a house, a school and on the playground.
3. You can help the children in The Mother's Village with a FINANCIAL DONATION. This is needed to cover all the normal living expenses, such as paying electricity, water, heating. All those expenses are covered with your contributions.

From BiH you can send your donations to:

4. You can help the children in The Mother's Village by becoming a "godfather" or "godmother" (sponsor) to a certain child. Primarily, this means that you want to create a special relationship and friendship with a child and participate in the care for its future. If you are interested in this distanced adoption, please fill out the attached SPONSORSHIP APPLICATION and return it to us by mail. We will then send you information about the child. form.pdf (To save, right-click and select "Save Target As" or "Save Link As")
